Megan Pollard and Laura Ritchie are the dynamic duo behind Events In The City. Both were born and raised in the DC area and have worked for local hotels and catering companies. Having this extensive background

in the event industry, their knowledge of logistics and relationships throughout the area makes for flawless partnerships with both vendors and brides. EITC holds degrees in fashion, film and marketing making the creation of your special event a creative and exciting experience.

Ensuring that all the delicious details are executed to suit your personal style, while having the unique pops that surprise your attendees, is what Events In The City prides itself on. Being a guest at your event is possible with their organization and unrivaled focus on the task at hand. No event is the same and standing out in a city of thousands is the ultimate goal for their clients.
